**Name:**

**Fayza Hamada Abd Elbaky Abd Elwahab**

lab1 answers :

1-red hat installed

2- (cat) display the last part of file content but (more) display the first part of file content

3- rm - remove files or directories && rmdir - remove empty directories

4-1) mkdir docs

mkdir docs/mycv

4-2) mkdir dir1

mkdir dir1/dir11

mkdir dir1/dir11/file1

mkdir dir1/dire12

4-a) `rm -r dir1/dir11`

when i use : `rm dir1/dir11` i get `rm: cannot remove 'dir1/dir11':  
Is a directory`

so i use `(rm -r dir1/dir11)`

4-b) `rmdir -p dir1/dir12`

`dir1` is removed also

4-c) 1-relative address: `cd docs/mycv`

2- Absolute address: `cd /home/fayza_hamada/docs/mycv`

5-`cp /etc/passwd /home/fayza_hamada/mypasswd`

6-`mv /home/fayza_hamada/mypasswd  
/home/fayza_hamada/oldpasswd` :when i'm not at the same  
directory of files

`mv mypasswd oldpasswd` : when i at the same directory of files

7-1) cd /home/fayza\_hamada

7-2) cd ~

7-3) cd ../../home/fayza\_hamada

7-4) cd

8-ls /usr/bin/w\*

9- more -4 /etc/passwd

Or

head -5 /etc/passwd

10-tail -7 /etc/passwd

11- man -a passwd

12- man -s 5 passwd

13- man -k cal
